About our Community

Mason City, Iowa is a friendly Midwest community of approximately 30,000 people and is the largest urban center in North Central Iowa. We are located 2 hours north of Des Moines, IA, 2 hours south of Minneapolis, MN. According to a recent analysis by **WalletHub, Iowa was ranked as the NUMBER ONE state for physicians** based on two key dimensions, "**opportunity and competition**" and "**medical environment.**" **Iowa's doctors have the fourth-highest average annual wages** — adjusted for cost of living — according to the analysis. Enjoy a stable economy, low cost of living, affordable housing, excellent school systems (public and parochial), fine arts museum, dance studios, performing arts theaters and a regional orchestra. Mason City is home to the only remaining Frank Lloyd Wright designed hotel in the world, recently restored and opened once again for business. Popular recreational venues and activities in north Iowa are Mason City's aquatic center, YMCA, indoor ice arena, and abundant outdoor activities including tennis, golf, hunting, fishing, hiking, biking, horseback riding, nature preserve photography, water sports and sailing. That lake home you've dreamed of could also become a reality, as Clear Lake is a mere 9 miles from Mason City. The area is legendary as it was the final site of Buddy Holly, Ritchie Valens and J.P. "The Big Bopper" Richardson's concert held at the legendary Surf Ballroom.
